

## **PROJECT CONNECT is *BACK TO SCHOOL!***

Wishing you and yours health, wellness & safety!  
We thought you might like to hear some good news, and “**spread**” *that around!*

**Maritime knowledge is in Greek Elementary Schools!**

**Since January 2019**

**“Adopt a Ship”**

**from 6 classes of 6 schools to 33 classes of 16 schools  
from 7 vessels of 6 distinguished Shipping companies to 26 vessels of 14  
in both public & private schools of Athens, Piraeus, Spetses, Hydra**

**26 Captains at sea communicating via e-mail with 650 pupils & educators  
in the classroom**

**Happy Crew! Happy Pupils! Happy Teachers! Happy Families!**

**Happy Ships!**

**\*\*\*\*\***

**Adopt a Ship works**

**Setting sails for its 3<sup>rd</sup> school year. Enroll a vessel!**

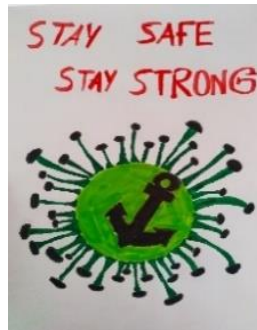

*Since May 2015, the bridge that connects opportunities to young professionals-in-the-making, implementing & managing the Adopt a Ship programs in Greece.*

**«Καλά Ταξίδια!»**

Happier voyages!

***During this global health crisis, Greek schools are still in communication with vessels, boosting seafarer's moral.***

“We envision a changing-for-the-better-future Greece, by **sustaining** one of its top resources, the **Shipping Industry success story** through supporting the “**can do**” **mind set** and the **aim for excellence** that has built it; and instill this mind set into the next generation workforce who will ultimately strengthen Greek Shipping’s competitiveness in the International arena.”  
We all must be part of the change, in sync.
