***What's the chain about?** The Chain, our logo, is by Artist Eva Divari who has travelled on ships all her life. Each individual employee is like a link in a chain. If one link is broken, the entire chain is too. Let's ensure that each "link" is strong, the chain is tightly united and thereby, our companies, strong and healthy, competing in the international arena.*

Thank you, in advance, for your support and best wishes for your company to always excel,
