

## VESSEL ENROLLMENT FORM

*Please fill a separate form for each vessel*

In this voluntary scheme a ship is adopted by a class of an elementary school with the aim of the two parties getting to know each other and maintain weekly contact via e-mail thus giving the children a better and broader understanding of the importance of the shipping industry.

### FOR THE MASTER

1. Appoint someone to be in charge of this communication
2. Fill in the attached form giving a profile of the ship. If you have any photos, it would be extremely helpful for the children.
3. Things to be communicated may include the latitude and longitude, ports visited, goods carried, weather information etc.
4. The pupils, via their teacher, and the captain will communicate by e-mail, 2-4 times a month.
5. Any information sent by the children can be shared with the crew.
6. If the ship calls at a port in Greece a visit of the class can be organized onboard

**Disclaimer notice :** *By participating, I contribute to the educational objectives of the AaS program and I give my consent to use informational material provided, for communication and promotion purposes of the program only.*

**What's the chain in our logo about?** *The chain has been created for PC by the Artist Eva Divari who travelled on ships. We believe that an employee is like a link in a chain. If one link breaks, there goes the chain.*

*We aim to ensure that our new entry to a shipping company can connect well with that company thru knowing his place and his individual responsibility to perform with excellence.*

**Thank you, in advance, for your membership and best wishes for your company to always excel,**
